

St. Mary Athletic Committee works to provide all of our students the opportunity to play whatever sport they choose regardless of their financial abilities. Through sports, St. Mary Catholic School students are exposed to team work, physical activity, community friendships and best of all, FUN!

To fund this goal, volunteer committee members and Student Council work at various fund raising projects including the Presidents' Day 3-on-3 Basketball Tournament. Please consider supporting our students with this fundraiser.

Community and family involvement are critical to support our student athletes as they master their skills and commitment for an activity that has no paid staff. Some of the costs for this program include equipment, game officials, uniforms, and transportation.

No contribution will be turned away: from tournament volunteers to financial gifts, this tournament will ultimately help fund the success of our student athletes' work ethic as well as expand their experiences.

A "Top Scorer" Sponsor Gift of \$500 or more OR a "6th Man" Sponsor Gift of \$100 will earn your generous organization exposure at the tournament, on the tournament Face Book Page and St. Mary Catholic School web page. Can't afford a Top Scorer or 6th Man gift? Think about a "Benchwarmer" Sponsor Gift of \$50 – the smallest monetary donation is deeply appreciated, can be included with your fundraising requirement and is tax deductible!
